Networking group suggestions

This is not a definitive list and if you know of any groups not listed please email sally@partnerswithyou.co.uk so we can keep building this list for everyone to benefit from.

Usual criteria stands – Partners With You do not promote any one group, you need to do the research and visit those that seem to suit you and your business best AND the links are correct at time of creating the document we take no responsibility for the content of any site or if the links are no longer valid. Please tell us if you spot a problem though!

National Networking Groups

- **4 Networking** (www.4networking.biz)
